

Electronic Application Checklist

Only electronic applications may be submitted to CSREES via Grants.gov unless indicated otherwise in the specific program Request for Applications (RFA). All applications submitted to CSREES must contain the applicable elements outlined in these guidelines. The following checklist has been prepared to assist in ensuring that the application is complete prior to submission:

Are you eligible to apply for the funding offered in the RFA?

Eligibility information for each funding opportunity is stated in Part III, Eligibility Information, of each RFA.

Are you applying to the correct funding opportunity associated with the RFA?

Field 1 of the CSREES Supplemental Information Form will pre-populate to indicate the program to which you are applying.

Have you followed the guidelines for filling out your electronic application provided in the CSREES Grants.gov Application Guide, which is posted along with the electronic SF 424 R&R application package on Grants.gov?

Those who wish to submit an application to CSREES should first contact their Authorized Organizational Representative (AOR) to determine if the organization is prepared to submit applications through Grants.gov. See <http://www.grants.gov/GetStarted> for steps for preparing to submit applications through Grants.gov.

Have all attachments been submitted in the portable document format (PDF)?

CSREES will only accept PDF attachments. See Part III of the CSREES Grants.gov Application Guide.

Do all submitted PDF documents have one-inch margins and are typed or word processed using no type smaller than 12 point regardless of line spacing? Are all PDF documents numbered sequentially on each page of the attachment? Are all page limitations for a given attachment followed?

Submitted proposals that do not meet these requirements for PDF attachments will be returned without review.
